

How to download the IPWEA Events App

#IPWC2019

POWERED BY

Conference Wi-Fi

Network Name: IPWC
Password: IPWC2019

Go to your App Store/Play Store and search for ‘IPWEA events’.
Have an iPhone and forgotten your iTunes password? See below*

LOG IN TO THE IPWEA EVENTS APP

Before you click on the event image, take a few moments to create an online profile (if you don't have one already). Your online profile will allow you to locate and message other attendees and post to the event timeline. The image on the far right is what the sign-up page looks like.

Dashboard

View the conference highlights, detailed speaker information and your personalised agenda.

Timeline

See what others are sharing, and click on the pencil to share your views and photos.

Notification

View event alerts and up-to-the-minute information.

Schedule

View details of all the sessions and speakers, take notes that are attached to the speaker information (a really powerful tool), create your personal agenda, download handouts and rate the presentations.

*How to recover your iTunes Password:

1. Enter your Apple ID (your email address) on iForgot.apple.com
2. Answer your security questions (the most common security feature: the others are listed below)
3. Receive an email
4. Follow the directions to reset your password

**Note:

If you have 'two factor' authentication, enter your trusted phone number, and wait for the notification to appear on your device. Then follow the prompts on-screen.
